## **ABEL DANGER MISCHIEF MAKERS; Snuff Movies**

This is the [Abel Danger Mischief Makers](#) copy pasted here from Lt. Col. [Field McConnell](#) the founder of abeldanger.org. This is an extremely sensitive article that I decided to publish here. The article exposes a cycle of women in high places who have protected Barack Obama, his scandals and a pedophile ring involved in snuff movies. I refuse to comment for now as I need more information so I just publish the article here.

According to this video, Kristine Marcy, the first woman on the list, and the founder of SES has surrendered herself to his brother Lt. Col. Field McConnell (Ret.), who has described his sister Kristine Marcy as the vilest woman in the world. Kristine Marcy, the founder of a dark Gynocracy of SES, claims that Jesus Christ has called her soul. (This is not an endorsement for anyone in this video just because I need more information about these people. I will change this part as soon as I'll be more informed. 90% of the names of on the list match my information already presented in my book or in other materials not yet published. Therefore, there is a very high chance that this document is authentic and the information is as concrete as it seems.)

**Field McConnell** was born on October 2, 1949, at Harris Hospital, Fort Worth, Tarrant County, Texas in 1949 to a career United States Air Force B29 bomber pilot and aircraft commander, Glenn McConnell, and a WWII United States Army nurse. About Field McConnell, you can [read more here](#).

I plan to ask USAA to distribute \$1,134 from trust accounts (equally) to cover tax preparation fee and federal and state taxes.

In the meantime, have you heard from Eileen Carpenter? She has gone radio silent and know she had health issues. She also was very intent on sending me a few things from Grandma Odum so they could "stay in the family." I had the feeling that she was preparing for her own demise.

## ABEL DANGER MISCHIEF MAKERS – MISTRESS OF THE REVELS – ‘MAN-IN-THE-MIDDLE’ ATTACKS (REVISED)

Russel Williams in lingerie

*([Wikipedia](#): [David Russell Williams](#)[1] (born March 7, 1963) is an English-born Canadian criminal and former Colonel in the Canadian Forces. From July 2009 until his arrest in February 2010, Williams commanded CFB Trenton, Canada’s largest military airbase and a hub for the country’s foreign and domestic air transport operations. He was also a decorated military pilot who had flown Canadian Forces VIP aircraft for dignitaries such as Queen Elizabeth II, Prince Philip, and the Governor-General and Prime Minister of Canada.*

*On February 8, 2010, Williams was relieved as the base commander at CFB Trenton due to criminal charges. He was formally charged by the Ontario Provincial Police, pursuant to the Criminal Code, with two counts of first-degree murder, two counts of forcible confinement, two counts of breaking and entering, and sexual assault.[3] Another 82 charges relating to breaking and entering were later added.[4] On October 21, 2010, Williams was sentenced to two life sentences for first-degree murder, two 10-year sentences for other sexual assaults, two 10-year sentences for forcible confinement, and 82 one-year sentences for breaking and entering, all to be served concurrently. The life sentences mean Williams will serve a minimum of 25 years before parole eligibility. Since he has been convicted of multiple murders, Williams is not eligible for early parole under the “faint hope clause” of the Criminal Code)*

Matrix 5 principal and sister of the allegedly extorted man-in-the-middle brothers, Dave and Willie (Robert) Pickton; she was allegedly given the unlawfully-delegated (ultra vires) Star Chamber authority of Canadian Privy Councilor, HRH Prince Philip, the Duke of Edinburgh, then President of City and Guilds, to hire guildsmen and women to film guests – including RCMP officials – at Piggy’s Palace Good Times Society cannibal feasts in B.C.; she allegedly used this authority to launch Matrix 5 propaganda attack on trustees of the RCMP’s pension and insurance funds; in 1996, she allegedly extorted her indebted brothers into running Piggy’s Palace (registered by the Canadian Privy Council in 1996) as a non-profit society intended to “organize, co-ordinate, manage and operate special events, functions, dances, shows and exhibitions on behalf of service organizations, sports organizations and other worthy groups”; she allegedly hired tradesmen through the Guild of Professional Home Services to hack domestic security systems through AT&T’s Clipper Chip and allow 9-1-1 operators to monitor and disrupt crime-scene investigations into B.C.’s pig-farm oath ceremonies (to 2001) and the murder of JonBenet Ramsey in 1996; she allegedly used her current Guild law-firm partner, Gordon H. Andreiuk – formerly employed at Ottawa’s Communications Security Establishment – to work with Crown Sister’s U.S. triple agent Robert Hanssen on the development of Clipper back doors into 9-1-1 emergency communications; she was the alleged fiduciary (or ‘off-book’ community organizer) of Matrix 5 “special events” at Piggy Palace—a converted building at the hog farm; she allegedly paid her distressed-debt brothers to stage drunken off-campus raves featuring “entertainment” by Downtown Eastside prostitutes orchestrated by lesbian prisoners on furlough from jails in Canada or America (Karla Homulka?); she allegedly knew that the women – many sacrificed in cannibal oath taking ceremonies – would not be missed, particularly because trustees of the Vancouver Police and RCMP pension funds had been tricked or extorted into investing in the

*mortgage on the development of the pig farm barn for the cannibal raves; soon after Piggy Palace opened in 1996, she and her brothers were sued by Port Coquitlam officials for violating city zoning ordinances; although she had the property zoned for agricultural use, she had “altered a large farm building on the land for the purpose of holding dances, concerts and other recreations” that sometimes drew as many as 1,800 persons; she allegedly arranged for her brother Willie to face 27 counts of first-degree murder related to women, mostly drug-addicted prostitutes, who disappeared from Vancouver’s seedy Downtown Eastside in the 1990s; she allegedly extorted VPD and RCMP officials to keep her out of court as a witness even though she must have known the women were disappearing on her property; as a Kerrisdale realtor, she was a best (?) friend of Carole Taylor (former Vancouver City councilor) and Nancy Campbell while their husbands Art Philips and Gordon Campbell were creating bcIMC – perhaps the world’s first pooled pig-farm pension plan to kick-back major crime-scene benefits to a city police force; following a New Year’s Eve party on December 31, 1998, she and her brothers were slapped with an injunction banning future parties, the court order noting that police were henceforth “authorized to arrest and remove any person” attending public events at the farm; her “society” finally lost its nonprofit status in January 2000, for failure to provide mandatory financial statements”; she told the RCMP that her pig farmer brother Willie was mentally “slow”; she contradicted herself by saying he wasn’t slow and he was good mechanically; she said he quit school at the age of 16 to focus on farming and didn’t do very well academically,”; she allegedly hired extortionists through Clipper Ripper Guilds, including Air Pilots and Air Navigators and Professional Home Services, to commission and bug Boeing headquarters before 9/11 and conceal a Matrix 5 man-in-the-middle propaganda attack on the United States government by City of Chicago and Vancouver Settlement Movement insiders; she allegedly conspired with the CAI Private Equity Group and insiders of the Ontario Teachers Pension Plan and the B.C. Investment Management Corporation (‘bcIMC’) to become controlling ‘pig-farm’ investors in Macdonald Dettwiler and its MindBox, BC OnLine and Instrument Approach Procedures services which would be needed to support Chicago Boeing’s 911 attack; after her parents died, she set up Dave Pickton to handle the business end of things and tell Willie Pickton when to go to bed at night; she placed her brother in a mobile home on the Dominion Avenue property to run a small-scale piggery and slaughter operation; she arranged for Willie Pickton to mortgage his share of the larger Dominion Avenue property to the lawyer Peter Ritchie for \$375,000 in April 2002 in the form of a demand loan as Ritchie’s retainer; she arranged for Willie’s lawyers to launch a Robotham application in 2002, asking a judge to order him to receive a publicly funded defence; she had MDA MindBox and BC OnLine land title records ‘adjusted’ to show a long list of charges, mortgages and judgments registered against the two properties, often against Pickton’s share and most pre-dating the government’s mortgage; she and David Pickton, for example, registered a mortgage on the pig farm itself through a numbered company in 1998; she also registered a mortgage in 1998 on the smaller Burns Road property, this time keeping the ownership with her brothers to stay at arm’s length from the alleged Matrix 5 oath-taking ceremonies; she told the government that if it wanted to foreclose on the properties it would have to take her and her brother to court and apply to force a sale because of their joint ownership; she reminded government insiders of the rule of “first in time, first in line,” meaning that earlier creditors would be paid before the province; she extorted B.C. government insiders to use bcIMC securities to put a mortgage worth \$10 million with no interest rate and no repayment schedule on the pig farm including the Dominion Avenue and Burns Road properties where both mortgages carry Willie’s signature; she used the money to cover the publicly funded defence of her brother Willie; she therefore ensured that funds were available to pay the lawyers to maintain Willie as a cutout for the lesbian and pedophile communities of Matrix 5; she had the mortgage registered on the suburban Port Coquitlam*
